Came in Tuesday for lunch. My lamb and steak were cooked perfectly to my standards. I will be trying more menu items on my next visit.

Came here opening week. I used to drive out to Vegas to eat at this place. Food is great, consistent to what I was used to in Vegas. Take it easy on the staff. It's a new restaurant, so routines will take some time. Wait for food was about 20 minutes, I did come right around noon. I will definitely be coming back as it's the best Greek food we've had in the area. We had the great Greek gyro sandwich, feta fries and the gyro plate.

We tried the new Greek Restaurant on Foothill and Rochester. It was very good. The gyro sandwich was huge and so tender. Highly recommend.
